

## **Berlin GAA – Diversity and Inclusion Statement**

At Berlin GAA, we celebrate the power of community, culture, and sport to unite people from all backgrounds. As an international Gaelic Athletic Association club, we are proud to welcome members from across the globe, regardless of nationality, ethnicity, gender identity, sexual orientation, ability, age, or religion.

We are committed to creating a safe, inclusive, and respectful environment where everyone feels valued and empowered to participate, whether as a player, coach, volunteer, or supporter. Our diversity is one of our greatest strengths, and we believe it enriches both our club culture and the wider GAA community.

Berlin GAA stands firmly against discrimination and harassment in any form. We continuously strive to ensure our practices and policies reflect our core values of equity, respect, and community. Together, we aim to build a club that not only represents the inclusive spirit of Gaelic games but also reflects the vibrant, multicultural city of Berlin.

**Everyone is welcome at Berlin GAA. Fáilte roimh chách.**
